

I am hungry.

I am sleepy.

I am thirsty.

I am busy.

I am tired.

I am mad.

I am happy.

Let's take a nap.

I am sad.

Let's take a break.

Let's have a snack.

Let's sing a song.

Are you hungry?

Are you sleepy?

Are you thirsty?

Are you busy?

Are you tired?

Are you mad?

Are you happy?

Is he thirsty?

Are you sad?

Is he tired?

Is he hungry?

Is she sleepy?

Is she busy?

Is she sad?

Is he mad?

He is hungry.

Is he happy?

He is thirsty.

He is tired.

He is mad.

She is sleepy.

He is happy.

She is busy.

He is sad.
